# INTERPRETIVE HISTORY *of FLIGHT*

BY M. J. B. DAVY, F.R.A.E.S., KEEPER OF THE AERONAUTICS  
COLLECTION OF THE SCIENCE MUSEUM

A SURVEY OF THE HISTORY AND DEVELOPMENT OF AERO-  
NAUTICS WITH PARTICULAR REFERENCE TO CONTEMPORARY  
INFLUENCES AND CONDITIONS

**T**HE STORY OF THE DEVELOPMENT OF FLYING MACHINES has frequently been recounted, but that history of aeronautics which should include all human activities relating to flying has never yet been fully told. The period covered is so long and the subject so complex that an exhaustive survey can hardly be attempted.

In this new volume, the subject has been approached from the standpoint of contemporary human development and of the social and economic background — aspects which are of increasing importance to-day. Much more is given, therefore, than the bare facts and technical details of the subject.

## "SHAKEPROOF" THREAD-CUTTING SCREWS

BRITISH PATENT  
Nos. 386033, 386895,  
467814, 468679, 468744,  
others pending..

★The "Shakeproof" Threadcuttingscrew actually cuts its own standard machine screw thread from a drilled hole, and can be used again, or can be replaced, if necessary, by an ordinary machine screw of the same size. Assembly time is speeded up . . . and the cost of tapping eliminated. A snug tight-fitting fastening is ensured. It drives easily in almost any metal . . . steel, aluminium and alloys, iron, copper or brass. Its use is specially recommended in aircraft manufacture for securely joining together materials of any thickness, in secondary structures in particular, giving increased production and efficiency.

The reputation of Green's Gang Mowers for long, hard-wearing, labour-saving service has been earned on many aerodromes. They cut grass to any desired degree of closeness, and the cutting width can be adjusted by adding or removing units according to requirements.

The smallest model is a gang of three with a cutting width of 7 feet, which can be increased to 5, 7 or 9, the latter having a cutting width of 21 feet.

DOCUMENTS

# Military Operations

# TOGOLAND

AND THE

# CAMEROONS

By

*Brig.-General F. J. MOBERLY, C.B., G.S.I., D.S.O., p.s.c.*

THIS volume tells a story of warfare in swamp and forest that has few parallels in history. An interesting description of the country amply illustrated, introduces the reader to a region little known before 1914. The mountainous part of the Cameroons possesses features of great beauty, and a moderate climate, but the coastal area is one of the most pestilential known. The clear-cut conquest of Togoland is followed by the more complicated operations in the larger colony. The narrative describes how our West African soldiers from Sierra Leone, Nigeria, the Gold Coast, and the Gambia nobly sustained the highest traditions of our armed forces. Step by step the volume traces the course of events: the German preparations at Duala and the surrender of that important place: the capture of Jabassi, Edea, Victoria, and Buea; the operations up the northern railway; the German attack upon the French at Edea; the operations in the north; the first unsuccessful advance and the final drive of converging columns upon Yaunde. With the fall of this place and the retreat of the enemy into Spanish Muni some six weeks later, the campaign came to a triumphant end.

# THE ROYAL AIR FORCE BENEVOLENT FUND

(For the help of all ranks in memory of those who died serving)

Telephone :—Abbey 1659

**Chairman of Council : The VISCOUNT WAKEFIELD OF HYTHE, G.C.V.O.**  
**Secretary: Group Captain G. I. CARMICHAEL, D.S.O., A.F.C. (R.A.F. retired)**

**T**HE ROYAL AIR FORCE BENEVOLENT FUND was established in October, 1919, to commemorate the work of the Flying Services during the War, 1914–1918.

A Memorial to the Officers and Men who fell in the War was unveiled on the Thames Embankment in 1923; a home and school for the sons of deceased Airmen was established at Vanbrugh Castle, Blackheath, in 1921; it accommodates 42 boys and through a recent gift of the adjoining property, this number will be increased to 70. A total of £246,000 has been expended in relief of all kinds of distress.

The object of the Fund is to assist all ranks, past and present, of the Royal Air Force, and their dependants. It must be prepared to help :—

**The disabled, and the dependants of those killed flying.**

**Other casualties and their dependants.**

**Sufferers on account of sickness and general distress.**

It exists for a Service that trains as well as fights in the air; it must provide for peace as well as wartime casualties, and it must carry on indefinitely with growing responsibilities.

The needs of personnel who served in the Great War can very nearly be met by dividends from capital, together with donations from the general public and assistance from other Service organisations.

The decision of Serving Personnel of the Royal Air Force to give a regular voluntary subscription to the Fund promises to make good the loss of the R.A.F. Display, Hendon, and is going far to meet the present needs of personnel whose service started after the Great War.

Expenditure on relief has risen by £6,000 in the last four years, and in 1938 amounted to £22,289. It will be still greater in future owing to the expansion of the R.A.F.

The Council appeal for unremitting support so that adequate help may be given in the present and the Fund strengthened for the future.

## How to send Help

## KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical services scholarships are awarded from time to time (a) to the sons of officers and men, or of ex-officers and men, of the Regular Forces or (b) to the sons of officers and men, or of ex-officers and men, of the Reserve and Auxiliary Forces who served in the Great War, for the purpose of assisting them to take a course of study to qualify themselves to practise medicine and surgery with a view to obtaining regular commissions in the Medical Services of the Navy, Army or Air Force.

The scholarships are strictly limited in number and the value of each scholarship (normally within a maximum of £200 a year for six years) is dependent on the financial resources of the candidate's family. The scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission in the Medical Branch of the Royal Navy, the Royal Army Medical Corps or the Medical Branch of the Royal Air Force and that, if granted such a commission, he will render not less than five years' actual service on full pay.

Candidates must normally be over 17 and under 20 years of age on the first day of January preceding their applications.

Further details may be obtained on application to :—
